Attendance/Guest Policy

Local Leverage is an exclusive networking group where each member holds an industry-specific seat, prohibiting competing businesses to maximize referral opportunities. Our group maintains an attendance policy, allowing up to three absences per quarter before membership review. Members are expected to send substitutes when unable to attend. Guests can visit twice for free before applying for membership, which is subject to leadership team approval. Both guests and substitutes are encouraged to actively participate in meetings, with substitutes being properly briefed about the member's business. The leadership team regularly reviews attendance and engagement levels to ensure all members maintain high commitment to the group.
